Resolutions

3 Resolution 1

– Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://www.argonautresources.com/site/Investors/annual-reports>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2022 Annual General Meeting (**2022 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2022 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2022 AGM. All of the Directors who were in office when the 2021 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation

Note: a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. Shareholders are urged to read the Proxy Form carefully and to provide a direction to the proxy on how to vote on this Resolution.

Board Recommendation: *The Remuneration Report forms part of the Directors' Report which was approved in accordance with a unanimous resolution of the Board. Each Non-Executive Director recommends that Shareholders vote in favour of adopting the Remuneration Report.*

4 Resolution 2

– Re-election of Mr Patrick Elliott as Director

The Company's Constitution requires that one third of the Directors (or if their number is not a multiple of three, then the number nearest to one third) must retire at each annual general meeting. The retiring Directors must not be a Managing Director. The Directors to retire at the annual general meeting are those who have been in office the longest since their last election.

ASX Listing Rule 14.4 also provides each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Elliott was last re-elected as a Director at the 2018 AGM.

Under this Resolution, Mr Elliott has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

5 Resolutions 3 and 4

- Ratify Prior Issue of Shares to Sophisticated and Professional Investors, previously issued in accordance with ASX Listing Rule 7.1 and 7.1A.

5.1 General

As announced to ASX on 15 June 2021, the Company successfully completed a private placement to sophisticated and professional investors (**Placement**) of 693,333,333 new ordinary shares at an issue price of \$0.0075 per Share (**Placement Shares**), raising approximately \$5.2million in new capital (before costs) for the Company.

The funds raised for the issue of the Placement Shares will be used for the purposes set out in section 5.4(g).

433,330,717 of the Placement Shares that were issued on 22 June 2021 (**Issue Date**) within the Company's 15% capacity permitted under ASX Listing Rule 7.1 (**Resolution 3 Placement Shares**).

260,002,616 of the Placement Shares that were issued on the Issue Date within the Company's additional 10% annual limit permitted under Listing Rule 7.1A approved by shareholders at the 2020 Annual General Meeting on 10 November 2020 (**Resolution 4 Placement Shares**).

5.2 Listing Rule 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions:

- Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.
- Listing Rule 7.1A provides that a company must not without the approval of shareholders, issue or agree to issue during any 12 month period, any equity securities if the number of those securities exceeds an additional 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period approved by shareholders at the 2019 Annual General Meeting on 20 November 2019.

Listing Rule 7.4 provides that where a company in general meeting ratifies a previous issue of securities made pursuant to Listing Rule 7.1 provided that the previous issue did not breach Listing Rule 7.1, the issue of those securities will be deemed to have been with shareholder approval for the purposes of Listing Rule 7.1.

Resolutions 3 and 4 seek Shareholder approval for the ratification of the issue of the Placement Shares pursuant to Listing Rule 7.4.

The effect of Shareholders passing **Resolution 3** will be to restore the Company's future ability to issue securities within the 15% placement capacity under Listing Rule 7.1 without obtaining prior Shareholder approval.

The effect of Shareholders passing **Resolution 4** will be to deem that the Resolution 4 Placement Shares were issued with Shareholder approval and they will not be counted for the purpose of calculating the Company's 10% additional capacity under Listing Rule 7.1A. The Company's existing capacity to issue shares without Shareholder approval under Listing Rule 7.1A will expire as at the date of the Meeting, subject to Shareholders approving **Resolution 7** (as explained in section 0).

5.3 Technical information required by Listing Rule 14.1A

If **Resolutions 3 and 4** are passed, the Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the Issue Date.

If **Resolutions 3 and 4** are not passed, the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the Issue Date.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of securities following this Meeting remains conditional on **Resolution 7** being passed at this Meeting.

5.4 Information required by Listing Rule 7.5

In accordance with Listing Rule 7.5, the Company provides the following information in relation to **Resolutions 3 and 4**:

- (a) The number of Resolution 3 Placement Shares issued under Listing Rule 7.1 (and for which ratification is sought under **Resolution 3**) was 433,330,717

Mr Billing was appointed by the Board as an additional Director of the Company on 3 August 2021 .

Directors' recommendation: *The Directors (with Mr Billing abstaining) recommend that Shareholders vote in favour of this Resolution.*

7 Resolution 6

– Approval of issue of Options to Mr Mick Billing in accordance with ASX Listing Rule 10.14

Resolution 6 relates to the proposed issue of options (**EIP Options**) to Mr Michael Robert (Mick) Billing under the terms of the existing Employee Incentive Plan (EIP), approved at the Company's 2018 AGM.

This Resolution is subject to approval of Shareholder of Resolution 5 confirming Mr Billings appointment as a Director of the Company

The EIP terms are designed to facilitate the alignment of employee and director interests with those of Shareholders and to provide a cost effective and efficient reward/incentive scheme, compared to alternative forms of incentives, such as the payment of additional cash payments and/or bonuses.

In light of anticipated adverse circumstances relating to the ongoing COVID 19 pandemic, Shareholder approved (at the EGM in August 2020) the issue of 10,000,000 EIP Options to each of the Company's other non-executive Directors in lieu of director's fees during the period 1 January to 30 June 2020.

To similarly align Mr Billings interests with the those of Shareholders, the Company now proposes, subject to Shareholder approval of Resolution 5 and this Resolution 6, to issue 10,000,000 EIP Options to Mr Mick Billing (or his nominee).in lieu of directors fees otherwise payable during the period 3 August 2021 to 5 October 2021 (the **Issue**).

7.1 Related Party Approvals- ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit the following persons to acquire securities under an employee incentive scheme:

10.14.1 a director of the company;

10.14.2 an associate of a director of the company; or

10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

unless it obtains the approval of its Shareholder.

The Issue falls within Listing Rule 10.14.1 and/or 10.14.2 above and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

Resolution 6 seeks the required Shareholder approval to the Issue under and for the purposes of Listing Rule 10.14.

If both Resolutions 5 and 6 are passed, the Company will be able to proceed with the Issue and will proceed to issue the EIP Options to Mr Billing. Separate approval is not required under ASX Listing Rule 10.11.

If Resolution 5 is not passed, Resolution 6 will be withdrawn and not put to the Meeting. In this case the Company will not be able to proceed with the Issue of EIP Options to Mr Billing and his appointment as a Director will terminate at the end of the Meeting.

If Resolution 5 is passed but Resolution 6 is not passed, the Company will not be able to proceed with the Issue of EIP Options to the Mr Billing but he will remain as a Director and the Company may be required to pay, in cash, director’s fees forgone for the period 3 August 2021 to 5 October 2021.

7.2 Related Parties- Corporations Act Chapter 2E

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of EIP Options to Mr Billing constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the ASX Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person in respect of whom there are reasonable grounds to believe will become a “related party” of a public company.

As Mr Billing is a Director of the Company (and if Resolution 5 is passed, will be a Director of the Company at the time of any Issue) he (or his nominee) are “related parties” of the Company for the purposes of the Corporations Act and the ASX Listing Rules, the provision of the EIP Options to Mr Billing requires Shareholder approval under Chapter 2E of the Corporations Act and ASX Listing Rule 10.14.

RESOLUTION 6

For the purposes of ASX Listing Rule 10.15, the following information is provided to Shareholders:

- (a) A summary of ASX Listing Rule 10.14 is provided at Section **Error! Reference source not found.** The EIP Options may not be issued without Shareholder approval.
- (b) Subject to Shareholder approval, the 10,000,000 EIP Options will be issued to Mr Billing (and/or his associate(s)).

8 Resolution 7

– ASX Listing Rule 7.1A Approval of Future Issue of Securities

8.1 General

ASX Listing Rule 7.1A enables Eligible Entities (as defined below) to seek Shareholder approval by Special Resolution passed at an annual general meeting to issue equity securities (which must be in the same class as an existing quoted class of equity securities of the Company) which do not exceed 10% of the existing ordinary share capital without further Shareholder approval. The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1.

An Eligible Entity for the purposes of Listing Rule 7.1A is an entity that, at the date of the annual general meeting:

- is not included in the S&P/ASX 300 Index; and
- has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company is an Eligible Entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

Approval under this Resolution is sought for the Company to issue equity securities under Listing Rule 7.1A.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this Resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

$(A \times D) - E$

where:

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement to issue:

- (i) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
- (ii) plus the number of partly paid ordinary securities issued in the 12 months on the conversion of convertible securities within rule 7.2 exception 9 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the 12 month period; or
 - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- (iii) plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - a. the agreement was entered into before the commencement of the 12 month period; or
 - b. the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4.
- (iv) plus the number of any other fully paid ordinary securities issued in the 12 month period with approval under Listing Rule 7.1 or Listing Rule 7.4 (which may include fully paid ordinary securities issued in the 12 month period under an agreement to issue securities within Listing Rule 7.2 exception 17 where the issue is subsequently approved under Listing Rule 7.1);
- (v) plus the number of partly paid ordinary securities that became fully paid in the 12 month period;
- (vi) less the number of fully paid ordinary securities cancelled in the 12 months.

D is 10%.

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the subsequent approval of holders of ordinary securities under Listing Rules 7.4.

The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1. The effect of this Resolution will be to allow the Company to issue equity securities under Listing Rule 7.1A up to 10%, without using the Company's 15% placement capacity under Listing Rule 7.1.

As at 7 October 2021, the Company has on issue 3,606,204,782 fully paid ordinary securities and therefore has capacity to issue:

- (a) 540,930,717 equity securities under Listing Rule 7.1 (subject to Resolution 3 being approved); and

- (b) subject to Shareholder approval being obtained under this Resolution, 360,620,478 equity securities under Listing Rule 7.1A.

8.2 Technical Information required by ASX Listing Rule 7.1A

In accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 5.

(a) *Minimum Price*

Equity securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of the Company's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market (closing) price (**VWAP**) for securities in that class calculated over the 15 days on which trades in that class were recorded immediately before either:

- (i) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the equity securities are not issued within 10 ASX Trading Days of the date in paragraph (a) the date on which the securities are issued.

(b) *Date of Issue*

If Shareholders approve **Resolution 7**, the Company may make an issue of equity securities under Listing Rule 7.1A at any time commencing on the date of the 2021 Annual General Meeting (either on a single date or progressively) and up until the earlier of:

- (i) the date which is 12 months after the date of the 2021 Annual General Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Accordingly, the approval given if this Resolution is passed will cease to be valid on the earlier of 30 November 2022, the date of the Company's next annual general meeting or the date on which holders of the Company's ordinary securities approve a transaction under Listing Rules 11.1.2 or 11.2.

(c) *Voting Dilution*

If **Resolution 7** is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted. There is a risk that:

- (i) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval of this Resolution; and
- (ii) the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing Shareholders on the basis of:

- The market price of the Company's ordinary shares and the number of ordinary shares as at 7 October 2021.
- Two examples where the number of ordinary shares on issue ("A") has increased, by 50% and 100%. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require Shareholder approval (for example, pro-rata entitlements issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by Shareholders.
- Two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the market price as at 7 October 2021.

Variable "A" ASX Listing Rule 7.1A.2		Dilution

	Funds raised	\$2,524,343	\$5,048,686	\$10,097,373

Notes:

- (i) The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
- (ii) The table assumes that no options are exercised in ordinary shares before the date of the issue of equity securities under Listing Rule 7.1A.
- (iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (iv) The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the Company's 15% placement capacity under Listing Rule 7.1.
- (v) The issue of equity securities under the Listing Rule 7.1A consists only of ordinary shares. If the issue of equity securities includes Options and/or Performance Rights, it is assumed that those Options and/or Performance Rights are exercised (or converted) into ordinary shares for the purposes of calculating the voting dilution effect on existing Shareholders.

* Any issue of equity securities is required to be made in accordance with the Listing Rules. Any issue made other than under the Company's 15% capacity (Listing Rule 7.1) or the Company's additional 10% capacity (Listing Rule 7.1A) and not otherwise made under an exception in Listing Rule 7.2 (for example, a pro-rata rights issue) would require Shareholder approval.

** Based on the closing price of the Company's Shares on ASX on 7 October 2021.

*** Based on the Company's Share structure as at 7 October 2021. (after the issue of the placement shares)

If this Resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further Shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

If **Resolution 7** is not approved the Company may still issue up to 15% of its issued capital without Shareholder approval under Listing Rule 7.1 but will not be able to issue the additional 10% of its issued capital under Listing Rule 7.1A without Shareholder approval and the dilutionary effects relating to this additional Listing Rule 7.1A capacity outlined above will not apply.

(d) Purpose of Issue under Listing Rule 7.1A mandate

As at the date of this Explanatory Statement, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

- (i) raising funds to further develop the Company's business; and
- (ii) raising funds to be applied to the Company's working capital requirements.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- (i) the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
- (ii) the potential effect on the control of the Company;

- (iii) the Company's financial situation and the likely future capital requirements; and
- (iv) advice from the Company's corporate or financial advisors.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

(e) *Compliance with ASX Listing Rule 7.1A.4*

When the Company issue equity securities pursuant to the Listing Rule 7.1A mandate, it must:

- (i) state in its announcement of the proposed issued under rule 3.10.3 or in its application for quotation of the securities under Listing Rule 2.7 that the securities are being issued under Listing Rule 7.1A; and
- (ii) give to ASX immediately after the issue a list of names of the persons to whom the Company issued the equity securities and the number of equity securities issued to each. This list is not for release to the market.

(f) *Allocation policy under the 10% Placement Capacity*

- (i) The allottees may comprise existing Shareholders or new investors or a combination of both. The allottees will be determined by the Board, taking into account:
 - alternative options for raising funds if applicable. For example, the Board will consider whether it is appropriate to raise required funds by way of an entitlement issue;
 - the purpose of the issue;
 - the impact of the issue on the control of the Company;
 - market conditions and the financial position of the Company; and
 - if applicable, advice from external advisors
- (ii) the Company does not yet know the names of the allottee or, other than described above, the basis on which they will be identified or selected.
- (iii) The Company notes that:
 - the Board has formed no specific intentions to offer any placement to any existing Shareholder, class of Shareholders or new investors;
 - the Board will, prior to making any placement, consider whether the raising of funds could be achieved by means of an entitlement issue to existing Shareholders.

(g) *Previous approval under ASX Listing Rule 7.1A*

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting on 10 November 2020 (**Previous Approval**).

The Company has issued 260,002,616 Shares pursuant to the Previous Approval. These Shares were issued as part of a placement on 22 June 2021 (and are the subject of Resolution 4, seeking Shareholder Approval to their issue in accordance Listing Rule 7.4). The issue price of the Shares was \$0.0075 per equity. The total cash consideration raised on 22 June 2021 was \$5,200,000. Refer to Annexure A for further details of the placement.

During the 12 month period preceding the date of the Meeting, the Company otherwise issued a total of 260,002,616 Shares which represents approximately 10.5% of the total diluted number of equity securities on issue in the Company on 10 November 2020, which was 2,458,326,077 (post consolidation basis).

Further details of the issue of Equity Securities by the Company during the 12-month period preceding the date of the Meeting are set out in Annexure A.

This Resolution is a **Special Resolution**.

For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

8.3 Voting Exclusion

A voting exclusion statement is included in the Notice of Meeting. As at the date of this Notice of Meeting, the Company has not invited any existing Shareholders to participate in an issue of equity securities under ASX Listing Rule 7.1A.
